

Church around a Table

Sunday 13th September: Introduction

Life Group Questions

Read John 21:1-17

What jumps out to you/interesting about this story of Jesus?

Why do you think Jesus choose to eat with his disciples?

How do you think it made the disciples feel to have breakfast with Jesus?

Can you think of a story of Jesus eating and what was the significance of eating and Jesus' reason for having meal with that particular person/s?

On Sunday I said that 'Meals turn strangers into neighbours, and neighbours into family.' Do you agree or disagree with this quote and why?

Food for Thought

Whilst disciple were having breakfast with Jesus, Jesus spoke forgiveness to Peter and gave him a vision and purpose. Can you remember a time in your life when you have had food and/or a drink with someone and whilst you spent time with them it was an impactful on your life.

Think about how eating and drinking with people has impacted your life.
